

"Footsteps to Follow: Joshua" – April 2021

1. We are all following in the footsteps of our forebears.
 - Where will your footsteps lead those who will be following you?
 - Will your influence on future generations glorify the Lord or bring disgrace to His name?
2. When you were baptized God put a call and claim on your life: you were "marked as Christ's own forever."
 - What are you doing in the Lord's name to serve others?
 - In what ministries are you actively engaged that further the life and work of this congregation?
3. The credit for everything that is worthwhile in our lives belongs to the Lord.
 - Do you agree or disagree with this statement? Why?
 - List in order what you consider to be the top five blessings God has bestowed upon you.
4. We live in a society that actively promotes the worship of false gods.
 - Name some of the idols you have worshiped.
 - Joshua's family served the Lord and Him alone – does yours?
