

After the Third Day - May 2022

There is a reason why the Gospel writers spend more time writing about the Crucifixion and the Resurrection than any other theme in the New Testament. The reason being that the Resurrection of Jesus Christ is the key and the foundation for our Christian Faith.

Read John Chapter 20 and Hebrews Chapter 2.

1. All the first witnesses to the Resurrection were women, in a culture where women were looked down on. Why would the Gospel use them as witnesses to the greatest miracle in human history?
2. What do we know about the city of Magdala, and what does this tell us about Mary?
3. Mary Magdalene was the first person that Jesus revealed Himself to. Have you ever thought about why?
4. Why does Jesus continually choose people the world rejects to do His will?

5. Why did Mary not recognize Jesus, and why did He say not to hold on to Him so tightly?

6. What does the Resurrection of Jesus Christ mean to you?
