

The Great Thanksgiving – November 2022

This week families all around our country will set their tables, count their blessing and share the narrative of their lives and stories over this past year. The History of our nation has taught of many first Thanksgivings, nearly all were born out of great suffering. Times of peril often lead to an appreciation of past and present blessings.

Read Hebrews 11:10,13-16

1. As you approach this Thanksgiving what has been difficult for you this year?
2. What are new blessings in your life that were not present this time last year?
3. God has seemed to bless our nation. What is our response to those blessings?

4. What is "The Great Thanksgiving"? What are we thankful for?

5. What is God calling you to do this year?
